- (e) Seller shall immediately notify Buyer with the pertinent facts if Seller becomes aware that it has delivered Counterfeit Work or Suspect Counterfeit Work. When requested by Buyer, Seller shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM. Seller, at its expense, shall provide reasonable cooperation to Buyer in conducting any investigation regarding the delivery of Counterfeit Work or Suspect Counterfeit Work under this Order.
- (f) This clause applies in addition to and is not altered, changed, or superseded by any quality provision, specification, statement of work, regulatory flow down, or other provision included in this Order addressing the authenticity of Work.

- (g) In the event that Work delivered under this Order constitutes or includes Counterfeit Work, Seller shall, at its expense, promptly replace such Counterfeit Work with genuine Work conforming to the requirements of this Order. Notwithstanding any other provision in this Order, Seller shall be liable for all costs relating to the removal and replacement of Counterfeit Work, including without limitation Buyer's costs of removing Counterfeit Work, of installing replacement Work and of any testing necessitated by the reinstallation of Work after Counterfeit Work has been exchanged. The remedies contained in this paragraph are in addition to any remedies Buyer may have at law, equity or under other provisions of this Order.
- (h) Seller shall include paragraphs (a) through (f) and this paragraph (h) of this clause or equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or furnished as Work to Buyer.

Seller agrees not to use or disclose drawings, specifications, technical information and other data furnished by Buyer except in furnishing supplies under this Order; provided, however, that Seller may produce such supplies for sale to the Government where the Government has the right to authorize, and has authorized, the use of such drawings, specification, technical information and other data. Nothing in this clause, however, shall restrict Seller's rights to use or disclose drawings that are not copyrighted, specifications, technical information and other data which are or become generally known to the public without breach of this provision by Seller or are rightly obtained without restriction on their use from other sources.

12. AUDIT AND INSPECTION OF RECORDS

Unless a longer period is specified in this Order or by law or regulation, Seller shall retain all records related to this Order for ten (10) years from the date of final payment received by Seller. Certification of Seller's claim by Buyer pursuant to the Prime Contract's Disputes clause shall occur only after the execution of a hold harmless agreement by Seller.
- (b) Only the Prime Contractor has privity of contract to pursue a claim or other direct action against the Customer under this Order. Any decision on appeal, or any other decision of the Government under the Prime Contract which cannot be appealed under the Disputes clause of the Prime Contract if binding on Buyer, shall also bind Seller to the extent that it relates to this Order. A final judgment in any such suit or final disposition of such claim shall be conclusive upon Buyer and Seller.
- (c) If any appeal, suit or claim is prosecuted by Buyer under this clause, Seller shall be permitted at Seller's expense, to participate fully in such prosecution for the purpose of protecting Seller's request. Each party shall cooperate reasonably in assisting the other party in such proceedings to the extent that the parties are not adverse to one another. Buyer agrees that after Seller has commenced to participate in any claim or proceeding against the Government pursuant to this clause, Buyer will not enter into a settlement agreement with the Government or take any other action which would prejudice Seller's rights in such claim or proceeding without Seller's consent.
- (d) During pendency of any dispute, decision, appeal suit or claim covered by this clause, Seller shall proceed diligently with performance.

All costs and expenses incurred by Seller and Buyer in prosecuting any appeal, suit or claim initiated by Buyer solely at Seller's request shall be paid by Seller; otherwise, each party shall bear its allocable share of the expense. The rights and obligations of Buyer and Seller under this clause shall survive completion of, and final payment under, this Order.

16. STOP WORK

- (a) Buyer may, at any time, issue written direction to Seller to stop all or any part of the work called for by this Order for a period of time not to exceed ninety (90) calendar days after written direction is delivered to the Seller and for any further period to which the parties may agree, which written discretion shall be specifically identified as a Stop Work Order issued under this provision. Upon receipt of the Stop Work Order, Seller shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by this Order during the period of work stoppage. Within the ninety (90) calendar day period following Seller's receipt of such Stop Work Order, or within any extension of that period, Buyer shall either:
- i) cancel the Stop Work Order; or
 - ii) terminate the work covered by the Stop Work Order as provided in either the Termination for Convenience or the Termination for Default provision of this Order.
- (b) If a Stop Work Order issued under this provision is cancelled or the period of the Stop Work Order or any extension thereof expires, the Seller shall resume work. Buyer shall make an equitable adjustment in the delivery schedule or Order price, or both, and this Order shall be modified in writing accordingly, if:
- iii) the Stop Work Order results in an increase in the time required for, or in the Seller's cost properly allocable to, the performance of any part of this Order; and
 - iv) Seller asserts a claim for such adjustment within thirty (30) calendar days after the end of the period of work stoppage.
- (c) If the Stop Work Order is not cancelled and the work covered by the Stop Work Order is terminated for the convenience of Buyer and/or the Government in accordance with applicable provisions of this Order, then Buyer shall allow reasonable costs resulting from the Stop Work Order in arriving at any appropriate termination settlement. If the Stop Work Order is not cancelled and the work covered by the Stop Work Order is terminated for default in accordance with applicable provisions of this Order, Buyer shall not allow, by equitable adjustment or otherwise, any costs or other expenses incurred by Seller resulting from the Stop Work Order.

 - iii) place of inspection, delivery or acceptance.
 - iv) quantities and delivery schedules.
 - v) description of time or place of performance of services; and
 - vi) Buyer or Government-furnished facilities, equipment or material.
- (b) If any such change causes an increase or decrease in the cost of or the time required for performance of this Order, an equitable adjustment shall be made in the Order price or delivery schedule or both, and this Order shall be modified in writing accordingly. Any claim by Seller for adjustment under this provision must be asserted in writing to Buyer's Purchasing Representative not later than thirty (30) calendar days after the date of receipt by Seller of the written change authorization or within such extension as Buyer may grant in writing. Buyer may, in its sole discretion, consider any claim received from Seller regardless of when asserted. Such a claim shall be in the form of a complete change proposal fully supported by factual information.
- (c) Pending any such adjustment, Seller will diligently proceed with the Order as modified. If the cost of property made excess or obsolete as a result of a change is included in Seller's claim for adjustment, Buyer shall have the right to direct the manner of disposition of such property. Buyer shall have the right to examine any of Seller's pertinent books and records for the purpose of verifying Seller's claims.

18. TERMINATION FOR CONVENIENCE

The period for submittal of Seller's termination settlement proposal under referenced

clause is hereby reduced to six (6) months, and the period for submittal of Seller's request for equitable adjustment is hereby reduced to forty-five (45) calendar days. In the referenced clause, the term "Contractor" shall mean Seller and the terms "Government" and "Contracting Officer" shall mean Buyer.

19. TERMINATION FOR DEFAULT

- (a) Buyer may terminate the whole or any part of this Order under any of the following circumstances:
- i) if Seller fails to deliver the goods or to perform the services required by this Order within the time specified herein or any extension thereof granted by Buyer in writing; or
 - ii) if Seller fails to perform any of the other provisions of this Order or so fails to make progress as to endanger performance of this order in accordance with its terms, and in either of these two circumstances does not cure such failure within the period set forth in Buyer's notice (not to exceed ten (10) calendar days) after receipt of such notice; or
 - iii) in the event of suspension of Seller's business, insolvency, institution of bankruptcy, liquidation proceedings by or against Seller, appointment of a trustee or receiver for Seller's property or business, or any assignment, reorganization or arrangement by Seller for the benefit of creditors.
- (b) Buyer may require Seller to transfer title and deliver to Buyer in the manner and to the extent directed by Buyer:
- i) any completed goods; and
 - ii) such partially completed goods and material, parts, tools, dies, jigs, fixtures, plans, drawings, information and contract rights (hereinafter called "manufacturing materials") as Seller has produced or acquired for the performance of this Order, including the assignment to Buyer of Seller's subcontracts. Seller further agrees to protect and preserve property in the possession of Seller in which Buyer has an interest. Payment for completed goods delivered to and accepted by Buyer shall be at the Order price. Payment for manufactured materials delivered to and accepted by Buyer and for the protection and preservation of property shall be at a price determined in the same manner as provided in the Termination for Convenience provision hereof, except that Seller shall not be entitled to profit. Buyer may withhold from Seller monies otherwise due Seller for completed goods and/or manufacturing materials in such amounts as Buyer determines necessary to protect Buyer against loss due to outstanding liens or claims against said goods.
- (c) In the event Buyer terminates this Order for Seller's default, Seller shall be liable to pay Buyer all costs incurred by Buyer resulting from such termination, including without limitation costs for re-procurement of item or items provided for in the Order.

20. ASSIGNMENT AND SUBCONTRACTING

- (a) Neither this Order nor any interest therein, except the right to receive payment, may be assigned without prior written consent of Buyer. No assignment of the right to receive payment will affect Buyer's right of set-off against Seller; nor will such assignment be binding on Buyer unless and until Buyer receives an executed copy of the assignment and each invoice to be paid to the assignee is clearly marked to show such assignment. Seller shall not disclose any classified information or sensitive but unclassified information relating to this Order to any assignee unless authorized under this Order.
- (b) No goods or services to be delivered under this Order shall be procured by Seller from a third party in completed or substantially completed form without Buyer's prior written consent. This limitation shall not apply to Seller's purchase of standard commercial supplies, raw material, outside processing services (such as heat treating, anodizing, or passivating), castings or forgings.
- (c) Seller agrees and acknowledges that all deliverables, or portions thereof, under this Order ("Deliverable Materials") may be incorporated into deliverables under the next higher tier or Prime Contract. Seller further hereby agrees to deliver the Deliverable Materials under this Order with the appropriate markings required by the Government regulations incorporated into this Order.

21. WAIVER, MODIFICATION AND DELIVERY

The failure of Buyer in any one or more instances to insist on delivery at an agreed time or on performance of any other provision of this Order shall not be construed to be a waiver by Buyer of delivery time or any other provision in any later instance. Delivery according to the schedule

set out in the Order, being an important condition hereof, will not be advanced or delayed without written agreement between the parties. Absent such agreement, if Seller delivers quantities in excess of the quantity called for, such excess quantities will be treated as being delivered for the convenience of Seller. Buyer may retain such excess quantities up to \$100 in value without compensating Seller therefor, and Seller waives all right, title, or interests therein. Quantities in excess of \$100 in value will at the option of Buyer either be returned at Seller's expense or retained and paid for by Buyer at the purchase order unit price. No provision herein concerning inspection or conclusiveness of acceptance shall exclude any warranty or constitute a waiver thereof. A modification of this Order must be in writing and signed by the Buyer's authorized Purchasing Representative if it is to be binding on Buyer.

22. LAWS

- (a) This Order shall be construed according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, Boards of Contract Appeals, and quasi-judicial agencies of the U.S. Government, and where such sources are not dispositive, according to the laws of the State of Maryland.
